**COMMUNITY FORUM ON
NEW RECREATION PROGRAMS**

Join representatives from the Department of Beaches and Harbors for an open community forum. The forum will be held on Tuesday, June 30, 2009 from 6 p.m. to 8 p.m. at the Burton Chace Park Community Room located at 13650 Mindanao Way, Marina del Rey. Recreation supervisors and managers will be on hand to discuss new programs and activities for the Department's recreational facilities. Planned recreational programs for the new Dockweiler Youth Center will also be discussed.

Please come and exchange your ideas and opinions with the staff on the proposed recreation programs. This is also the public's opportunity to let the Department know what kinds of activities they would like to see. Through this forum the Department of Beaches and Harbors hopes to make community residents active participants during this activity and program planning phase as it strives to improve the recreational opportunities offered to the public.
